

To All Parents & Players

Please read the "Team lists" carefully to find out the 2015 team placement.

These teams have been formed with input from Coaches reports & grading day sheets.

When players are placed into teams we take into account all requests for "can I play with" etc., but it is NOT ALWAYS POSSIBLE, due to many reasons, mainly differences in abilities & ages, especially for the Netta age groups. We have accommodated every player as best we could.

Coaches (junior teams only) will be in contact with you all soon in regards to training etc.

Please also be aware the GNA may hold a grading day for 10s in early March and a Netta Gala Day, both at Adcock Park ,Gosford.

All relevant teams are required to attend the above days. Check GNA Calendar and club website, Facebook page and Sportsbag app for further information.

Competition starts Saturday 28st March.

Looking forward to a great 2015 season

Yours in netball.....
